Sale Terms and Conditions and Other Important Information

This offering--**U.S. General Services Administration Sale No 41FBPS00077** is subject to the General Sale Terms and Conditions and Special Sealed Bid Conditions (Standard Form 114, July 1997). Copies of these forms are available from the sales office.

Acceptance Period. By signing the bid form, the bidder agrees to pay for and remove the property if the bid is accepted within 60 calendar days after the bid opening date. The bidder may specify a shorter acceptance period (not less than 10 days) on the bid form. Any bid that specifies an acceptance period shorter than 10 days may be rejected as non-responsive.

Contract Disputes. Contracts awarded under this solicitation are subject to the Contract Disputes Act of 1978 (41 USC 601-613), as amended. Copies of the current contract disputes clause are available from the sales office.

Bidders Indebted to the Government. The bidder warrants, by signing the bid, nondelinquency in paying for previous purchases of Federal personal property, including any debt administratively found due. Indebted bidders may be ineligible for contract awards.

Condition of Property is not warranted. Condition No 2, "Condition and Location of Property," of Standard Form 114C is deleted in its entirety. Deficiencies, when known, have been indicated in the property descriptions. However, absence of any indicated deficiencies does not mean that none exists.

Description Warranty and Refunds

Description Warranty. The Government warrants to the original purchaser that the property listed in the Invitation for Bid will conform to its description. If a misdescription is determined before removal of the property, the Government will keep the property and

refund any money paid. If a misdescription is determined after removal, the Government will refund any money paid if the purchaser takes the property at his/ her expense to a location specified by the contracting officer. No refunds will be made, after property is removed, for shortages of individual items within a lot. **This warranty is in place of all other guarantees and warranties, expressed or implied.**

The Government does not warrant the merchantability of the property or its purpose. The purchaser is not entitled to any payment for loss of profit or any other money damages--special, direct, indirect, or consequential.

Refund Procedures. To obtain a refund (1) submit a written notice to the contracting officer within 15 calendar days of the date of removal that the property was misdescribed, (2) maintain the property in the purchased condition until it is returned, and (3) return the property at your own expense to a location specified by the contracting officer.

Refund Amount. The refund is limited to the purchase price of the misdescribed property.

Inspection. Please inspect the property before bidding. Times are indicated in the property listings.

Reporting Discrepancies/Hazardous Materials.

Prospective purchasers are asked to inform the sales office of any discrepancies in the property descriptions discovered while inspecting the property and of any lots in this sale that contain hazardous material/waste not indicated in the property descriptions.

Submission of Bid. The bid form must be filled out completely and mailed or hand-delivered sealed in an envelope addressed exactly as shown below. Be sure to enter your name or company name exactly as you wish it to appear on all subsequent

paperwork. Changes will not be permitted after award.

If the total bid exceeds \$25,000, the bidder agrees to furnish, prior to award, information as requested by GSA concerning any contingent fee arrangement. See Code of Federal Regulations (CFR, Title 41, Section 101-45.313.3).

Default. Bidders are cautioned to bid only on items they are prepared to pay for and remove in accordance with the terms and conditions of this sale. Failure to pay for and remove all items awarded within the specified time could result in termination of the contract. The bidder also may be subject to paying liquidated damages. **The following supersedes Clause No. 9 of the SF 114C.**

If, after the award, the Purchaser breaches the contract by failure to make payment within the time allowed by the contract as required by Condition No. 6, or by failure to remove the property as required by Condition No. 8, then the Government may send the Purchaser a 15-day written notice of default (calculated from date of mailing), and upon Purchaser's failure to cure such default within that period (or such further period as the Contracting Officer may allow) the Purchaser shall lose all right, title, and interest which he/she might otherwise have acquired in and to such property as to which a default has occurred. The Purchaser agrees that in the event he/she fails to pay for the property or remove the same within the prescribed period(s) of time, the Government shall be entitled to retain (or collect) as liquidated damages a sum equal to the greater of **(a) 20 percent of the purchase price of the item(s) as to which the default has occurred, or (b) \$200:** Provided, That in the event of multiple awards of items under a single Invitation for Bids, the amount to be charged, if the minimum charge provided for in (b) above is applicable, shall be determined by the total purchase price reflected in the award documents: Provided further, That

the maximum sum which may be recovered by the Government as damages for failure of the Purchaser to pay for and remove the property shall be the formula amount. The Government shall specifically apprise the Purchaser, either in its original notice of default (or in separate subsequent written notice), that upon the expiration of the period prescribed for curing the default, the formula amount will be retained (or collected) by the Government as liquidated damages. However, if the property was sold on a "per lot" basis and the Purchaser removes a portion of the lot but fails to remove the balance, no portion of the purchase price will be refunded. If the Purchaser otherwise fails in the performance of his/her obligations, the Government may exercise such rights and may pursue such remedies as are provided by law or under the contract.

GSA does not grant extensions of time for payment and removal.

State Sales and/or Use Tax. Purchasers of Federal personal property may be subject to payment of a State sales and/or use tax. The U.S. Government is not responsible for collection of State taxes. Purchasers may obtain information from a State tax office. Sales and/or use tax officials are permitted to examine records of Federal personal property sales to determine tax liability.

Sales to Government Employees. GSA employees and members of their immediate household, or their agents, may not bid on Federal personal property. An employee of another agency may bid if he/she is not prohibited from doing so by agency regulation.

Mailing List Subscription. If your GSA mailing list subscription will expire soon (check the expiration date on your mailing label) and you are not submitting a bid in this sale, you must mail a copy of the mailing label to the GSA sales office if you wish to continue to receive sales notices.
